

## CENTRAL BOARD MINUTES

November 2, 1960

Absent: Colness.

The meeting was called to order by President Paul Ulrich at 4:00 p.m. in the Silver Bow Room. The minutes were read and approved with the deletion of "Johnson said that the traditional senior week would be final week. Another proposal was that there be no senior week whatsoever." on page 3 under Commencement Committee.

Ulrich read a thank-you note from Allan Goddard of the Hockey Club for the financial aid.

He also read Dr. Newburn's reply to the request for a holiday, Monday, Nov. 7, in the event of a Grizzly victory.

### BUDGET & FINANCE

Bon reported that Donna Arnst, president of AWS, appeared before B&F to request \$826.72, which she claimed AWS was forced to use because its budget had been cut. AWS had earned this money through bake sales and had reserved it for furnishings for an office. Bon moved that ASMSU make a payment of \$826.72 to AWS from the ASMSU activity fee increase reserve fund. Seconded by Johnson. Motion passed, 12<sup>1</sup>/<sub>2</sub>-0, with Oswald abstaining.

Carlson suggested to transfer the some \$5000 left in the activity fee increase reserve fund to someplace where it would draw interest.

Bon reported that Arnst had also asked for an underwriting of \$500 for the Miss MSU Contest to be held in January. Bon said that the committee had felt that this amount was too much and moved that ASMSU underwrite AWS to the amount of \$150 for the 1961 Miss MSU Contest. Seconded by Johnson. Bon said that this project made a loss last year but that more publicity is being planned. Louie Garcia is in charge of the arrangements. Bon also said that this underwriting might tend to make the committee lackadaisical and make them slack off on the publicity. Browman said that money has been allotted for this in Special Projects, but that last year it went \$138. in the hole. Johnson said that with the amount of other projects, AWS can't handle the Miss MSU contest. Dodge said that some of the AWS projects for the year are: a party for underprivileged children, the lantern parade, and various dances. Ulrich said that he hated to see Central Board strong-armed into something it didn't want to do. Motion was passed, 6-2, with Datsopoulos, Mossey, Johnson, Lee, Dodge, Morris in favor, and Ulvila and Whitelaw opposed; Bon, Carlson, Romstad, Cogswell, Oswald, and Stone abstained.

Bon reported that during the summer Larry Juelfs had purchased a camera and accessories, amounting to \$200, for the Sentinel. Bon said that any capital expenditures have to be approved

by Central Board; but since the Board was not meeting during the summer months, Juelfs took the expenditure upon himself in hopes that Central Board would approve the expenditure and reimburse him. Bob Dundas examined the camera and had said that it was worth \$400. Bon moved that ASMSU approve the capital expenditure for the camera and accessories amounting to \$200. for the Sentinel. This would come from the Sentinel funds for 1952-53. Seconded by Carlson. Motion passed unanimously.

Bon reported that Tom Farrington had been placed in charge of a subcommittee to establish written criteria for a group to be allowed to appear before Budget and Finance.

Bon announced that for those people who made the trip to Bozeman for the joint meeting would receive car allowance if they took a vehicle or they would receive allowance for one meal if not.

A complete report will be given next week.

Grimm is making a large scale ballot for the election results. Johnson asked the reason for closing the polls at 4:00. Whitelaw said that there had been only 3 voters between 4:00 and 5:00 last week; but that the ballot boxes would be open until 5:00 with the vote counting starting at 4:00. The Kams & Dregs, Spurs and Bear Paws, Pom Pom girls and Cheerleaders, the team and Coach Jenkins will be present. The Dad's Day luncheon for the football members Dad's will be Saturday at 11:00 am. It is to be buffet style; Jiggs Dahlberg and Dr. Lory will be attending. The Dad's will

All living groups have decided to help with the publicity campaign for the football game with MSC-MSU. All living groups will be painting their windows and erecting signs. The Grizzly Special has gone to press and should be distributed Friday. Wayne Finney has been in charge. Copies of the cheers will be passed out at the game. There might be two bears as mascots at the game. Traditions Board may arrange for a manure spreader and a cow to be in front of the Bozeman cheering section. Stock trucks will be used as transportation between the train depot and the campus Saturday morning. Arrangements have been made with Miss Chamberlain for noon and evening meals Saturday for the visiting Bobcats. Adams announced that the "Little Brown Stein" is on its way from Idaho and will soon be on display across from the book store. Arrangements might be made to have more trophies, etc. displayed in those showcases. Mossey inquired as to the danger of having a manure spreader close to a crowd. Bieri assured her that no one was hurt in the same procedures two years ago.

#### PUBLICATIONS BOARD

Walsh reported that Jim Polk, editor of the Venture, had submitted a statement of policy. The board found this statement insufficient and returned it to him for changes. They suggested that it include statements such as publishing an issue per quarter, having all materials from campus be welcomed, and stating how many should be on the working staff. Walsh introduced a by-law change, which he stated was not approved unanimously by the board. Eleven members of twelve voted for the change.

Division III, Article III, Section 2.

From: The editor, business manager, art editor and the assistant editors of these publications shall be chosen by Central Board upon the recommendation of Publications Committee.

To: The editor, business manager, art board (one to three persons) and the assistant editors of this publication shall be chosen by Central Board upon the recommendation of Publications Committee.

Whitelaw moved that the proposed by-law change be accepted. Seconded by Bon. Walsh said that the change was suggested because it was felt that since artists are such sensitive people, no discrimination should be made between them. Three editors of art could better judge which art would be printed. Dodge asked which of the Venture staff received payment. Ulrich answered that none of the staff was paid. The motion was defeated 2-7, with Mossey and Morris in favor; Datsopoulos, Bon, Whitelaw, Cogswell, abstaining.

### STOP SIGNS

Morris reported that his committee went to the President's office last Monday to meet with Mr. Crowder and Mr. Pantzer. It was suggested that a letter be written to Pres. Newburn to explain what the students wanted. Morris said that he thought Ulrich should write the letter. Ulrich said he would do so. Morris said he still wanted to talk to the city council and the mayor of the city.

### NEW BUSINESS

Plans have been made for a luncheon and seating arrangements with the Student Senate for the football game. Browman said that seats have been reserved for the Central Board and the Student Senate together. After the football game there will be an informal exchange in the Silver Bow room. Ulrich said that the luncheon will be at 12:00 in the territorial rooms of the Lodge, and to get the lunch from the faculty food service "on the house". Ulrich asked that if there were any specific proposals for the home & home basketball games between the college and the university, these could be mimed for the meeting after the football game. Lee asked if the same problems would arise from the basketball games. Ulrich said that there would be two games in a weekend. Bon said that there was a chance of getting carried overboard on regulations and kill school spirit. Ulrich announced that there would be a meeting after the game. Also he asked for Central Board members who would be able to meet the Student Senate members when they arrived on the train Saturday morning. Cogswell, Lee, Morris, and Ulrich will take cars. A meeting was held in Mr. Kriegers office to discuss regulations. The police situation has been "squared away", with no more than the usual number in attendance. Godston of MSC and Ulrich will address the students during the game over the public address system. Cogswell said that there should be around 450 people on the train.

Datsopoulos reported that Les Elgart will be available to play on the campus January 28, a Saturday night, for \$2500. Other dates open are February 10, 17, and 24. Whitelaw asked what functions have already been scheduled for the Jan 28 weekend. Datsopoulos said that Turner Hall and Tri Delta are the only scheduled functions on the 28th. Morris asked if there were any chance of getting the group cheaper if another school would schedule them. Carlson said that Central Board should offer \$2000 for them to take or leave; he said that "we have paid through the nose long enough." Datsopoulos said that the program would include an hour long concert and a three hour dance. He also said that Cy Zizenter would be available for \$1750. Whitelaw moved that Central Board offer Elgart \$2000 to appear on January 28. Seconded by Bon. If Elgart doesn't accept this he won't be scheduled. Stone said that the agent gets a commission so that the more he sells for the more he gets. Morris said that he hated to let the opportunity go by if he doesn't accept the \$2000. Bon said that a bargain could

be made later for the \$2500. Datsopoulos said that other bands were available for less money but nothing was bigger than Elgart. He also said for the Board not to cry on his shoulder if they didn't get a big name band. The motion was passed 11-0, with Cogswell, Oswald, and Stone abstaining.

Ulrich referred the Board to Dr. Newburn's letter in which it was suggested that instead of a victory day, a celebration should be planned for 3:00 Monday afternoon. Johnson moved that there be no celebration and that a statement be issued to the Kaimin as to why this not be done. Seconded by Bon. Suggested reasons were: classes are still being held after 3:00; it is unrealistic to think that a winning spirit would be carried to a small victory celebration from Saturday until Monday; student participation would be very low for this type thing. Johnson expressed disappointment that the Central Board's request had been turned around as it was. Stone said that he for one didn't expect a holiday to be passed and that the students shouldn't be bitter. Cogswell said that there was a move underway to take the victory day away from the students at MSC. If the Bobcats win this year they will get Monday off.

#### BUDGET AND FINANCE RECOGNITION CRITERIA

Ulrich asked for suggestions for criteria for group recognition for Budget and Finance to be given to Farrington for further study by the subcommittee. Carlson suggested that only University groups should be recognized; this primary recognition would be handled by the Dean of Students. He also suggested that these groups should have faculty advisors. Lee said that these groups should be open to the student population as a whole. Ulvila said that all members of such groups should be students. Ulrich said that the publications should be of value to the University and that these groups should first look into the possibility of other funds.

Datsopoulos asked why there have been no broadcasts on football games played away from home. Johnson said that the Montana Power used to sponsor such games. Cogswell said that this was quite expensive and that the only way to get the games broadcasted was to get a sponsor who was willing to pay the costs.

Carol Cooper, Chairman of Montana Forum, invited all Central Board members to the meeting Friday noon in territorial rooms land 2. Floyd Power from the Prison at Deer Lodge is to be the speaker.

Farrington inquired about the publication of the Grizzly Guide. Ulrich said that this was sponsored by Phi Kappa Phi, and that the Vice President, who has just been chosen has charge of this project. Hohnsen said that the material has been compiled and that the booklet should go to the press by Friday.

There being no further business, the meeting was adjourned.

Respectfull submitted,

*Diane Mossey*
